

Location Is Everything.

Smart business gets the green light at Ecoplex, the first multi-tenanted green* office building in Palm Beach County. Conveniently located close to Palm Beach International Airport, Downtown West Palm Beach, and I-95 in Centrepark West, this Class "A", high-performance building provides **energy savings of up to 20%** and **operational savings of up to 25%** through the use of energy-efficient mechanical systems and cost-effective conservation methods that create a healthier workplace for employees and the environment. With hurricane-resistant features, high-quality property management services, on-site fitness center and four levels of covered parking, Ecoplex gives you the economical and ecological advantage to take your business where you want it to go.
