

Now there's a place where money does grow on trees.

Now you can take care of business while taking better care of your employees and the environment. EcoPlex is the first multi-tenanted green* office building in Palm Beach County, Florida. This Class A high-performance building creates a healthier work environment that enhances employee productivity and lessens the negative impact on the environment while increasing energy efficiency and greatly decreasing operating costs. Conveniently located at

Centrepark West in West Palm Beach, this four-story building provides energy savings of up to 20% and operational savings of up to 25% due to more efficient mechanical systems, enhanced day-lighting techniques, rainwater reclamation methods and water conservation systems. With hurricane-resistant features, high-quality property management services, on-site fitness center and four levels of covered parking, EcoPlex is a naturally better environment that's rooted in good business.

For leasing information, call Rick Abedon at 561-688-2530 ext. 101, or visit www.ecoplexfl.com
