**WEST PALM BEACH, Fla.** --- Frank Navarro, Co-founder and President of Navarro Lowrey, Inc., announced today that SleepMed, Inc. has relocated its Boca Raton, Florida corporate headquarters to EcoPlex® at Centrepark West, 1641 Worthington Road, West Palm Beach, in the Centrepark office district. Awarded a Gold "LEED" Certification, EcoPlex® is the first Class "A", multi-tenanted "green" office building of its kind in Palm Beach County and among the largest to adopt sustainable building practices in Florida. Developed by Navarro Lowrey, Inc., EcoPlex® rewards businesses with a healthier workplace, maximum energy efficiency, minimal environmental impact and significant cost savings.

SleepMed has leased 5,717 square feet on the third floor for a term of five years. Mark C. "Bo" Paty, Vice President of Navarro Lowrey Properties, Inc., represented the owner and was the sole real estate broker involved in the transaction.

Through its combined, current annual patient population of over 200,000 and its estimated 15,000 independent, physician and hospital network partners, SleepMed offers sleep services focused on improving quality sleep via an integrated health-systems company that delivers a continuum of sleep care. As sleep health is a part of a patient's overall health profile, SleepMed embraces and supports "Community Sleep Management." This encourages local expertise, diagnostic

pathways and appropriate therapy coordinated by SleepMed. SleepMed University educational and clinical activities advance sleep awareness of physicians, employers, other providers, and the general population throughout these healthcare "Sleep Communities."
